DECOTY
COFFEE ♦ TEAS ♦ SPICES

®

Coffee Our Western Gold Coffee offers you a rich and flavorful cup every time. We begin by selecting the finest Arabica coffee beans and carefully roast them to perfection, creating smooth and consistent flavor. Our coffee experts will assist you in selecting the perfect coffee and equipment combination for your restaurant.

Looking for specialty or flavored coffees for your restaurant? Our DeCoty Gourmet Specialty and Flavored Coffees offer a variety of roasts and include single origin varietal coffees and organics from the world's finest growing regions. Our aromatic DeCoty Gourmet Flavored Coffees are available in many delicious flavors.

If espresso is part of your beverage offering, look no further. DeCoty's espresso programs combine high quality espresso coffee, equipment, service and training. DeCoty also offers preventive maintenance programs for your espresso equipment. Need a lot of coffee, fast? DeCoty's liquid coffee program is designed for high volume applications, when several hundred cups of coffee are needed in a short period of time. Perfect for conference, banquet and healthcare facilities.

Iced Tea & Specialty Tea Known for its superb taste and clarity, our Western Gold Iced Tea combines satisfying, rich tea flavor with sparkling clarity and eye appeal. Our renowned blend of Orange Pekoe black teas are available in open brew and filter pack to suit any type of brewing system.

Looking for loose leaf teas? Our La Creme Specialty Loose Leaf Teas are served in fine dining establishments around the world. Choose from a wide selection of white, green, oolong and black teas. La Creme also crafts signature herbal teas, chai and rooibos blends. Our tea professionals can assist you with table service, retail and private label tea programs for loose leaf teas.

Herbs, Spices & Seasonings The quality, flavor and aroma of herbs and spices are characteristic of their origin and volatile oil content. DeCoty procures the finest quality herbs and spices. Our legendary seasoning blends are used by many celebrated chefs to create signature flavors and appeal for their culinary creations. Our custom blending and packaging program specializes in preparing signature and proprietary seasoning blends for use as components in recipe formulation for chain restaurants and food manufacturers.

Foodservice Products DeCoty offers a complete line of quality food service products and specialty food ingredients. Choose from soup bases, tenderizers, biscuit and pancake mixes, condiments and drink mixes. For breaded foods, use DeCoty's Miracle Dip, a milk and egg replacer. Miracle Dip cuts cost, improves consistency and eliminates bacteria and spoilage associated with milk and eggs.

Equipment, Service and Delivery DeCoty provides and services state-of-the-art brewing equipment at no charge to our customers. Service and distribution centers are strategically located to provide you with expert equipment service and support. Our factory-trained service technicians can diagnose and repair most brands of brewing equipment. Products are delivered directly to your locations by our knowledgeable sales team.
