

Office Coffee Solutions

by DeCoty Coffee Company

In today's busy workplace, keeping your employees motivated and refreshed increases productivity and employee satisfaction.

Reward yourself and your hard working staff for a job well done by providing premium quality beverages and related products in your office.

Your employees and customers alike will appreciate the value and benefits of DeCoty's Office Coffee Service.

- Reward and Motivate - Providing premium quality beverages in the workplace increases productivity, morale and overall employee satisfaction every day.
- Value and Service - DeCoty delivers directly to your location on a regularly scheduled basis. Equipment and service are provided based on your specific needs at no additional charge. Eliminate those trips to the grocery store, expensive equipment purchases and coffee breaks away from the office, buy direct from the roaster.
- Enhance Your Image - Whether you are welcoming new prospects in the foyer or conducting a director's meeting in the board room, DeCoty's premium quality beverages and clean, well-maintained commercial equipment says you care about your business and the image you portray.
- Choose from premium quality coffees, specialty and flavored coffees, espresso pods, iced teas, hot teas, juice mixes, cappuccino, condiments and many other products that enhance your office coffee experience.
- With 80 years of roasting experience and creation of high quality beverages, DeCoty is committed to providing outstanding products and service to our customers.

DeCoty...Because you demand quality.

Coffee Our Western Gold coffee offers you a rich and flavorful cup every time. We begin by selecting the finest arabica coffee beans and carefully roast them to perfection, creating smooth and consistent flavor. Our coffee experts will assist you in selecting the perfect coffee and equipment combination for your office.

Choose from mild, lightly roasted coffees to dark, coffee house style roasts. Looking for specialty or flavored coffees for your office? Our DeCoty Gourmet Specialty and Flavored Coffees consist of single origin varietal coffees from the world's finest growing regions and the most aromatic flavored coffees in many delicious flavors. We've taken the best of our DeCoty Gourmet coffees and made them available to you in pre-measured packets for your convenience

Equipment, Service and Delivery

DeCoty provides and services state-of-the-art brewing equipment. Our service and distribution centers are strategically located to provide you with expert equipment service and support. Products are delivered directly to your locations by DeCoty's knowledgeable sales team.

Related Products DeCoty is your coffee and tea specialist. We offer many other products to enhance your office coffee program. La Creme Flavored Iced Teas, La Creme Premium Organic Ready-to-Drink Iced Teas, single-serve hot teas, La Creme Espresso Pods, flavored creamers, sweeteners, flavoring syrups and juice mixes.
